

1.5 FACTSHEET CROSS-CULTURAL COLLABORATION CHALLENGE

Educational aims: to develop 21st century skills using Challenge-based learning: cross-industry & cross-cultural collaboration.

Educational form: serious challenge game, learning by doing, interactive lecture.

Why participate?

- Gain a better understanding of the impact of culture on collaboration.
- Experience emotions involved in working in multicultural groups.
- Practice multicultural teamwork through awareness of global attitude and behavior.
- Strengthen your behavioral tool kit: adapt without losing your identity

Who participate? Business, technical, and design students from various countries.

Activities: *before the game:* participants fill in an ex-ante questionnaire concerning personal traits and values. *During the game:* (1) game instruction. (2) co-operation in monoculture groups (3) co-operation in multi-culture groups (3) evaluation. *After the game:* participants fill in an ex-post questionnaire concerning team performance and reflect about their learnings.

Duration: 2 hours.
